@AsktheNP

Dr. James Simmons

Dr. James Simmons is a Board Certified Acute Care Nurse Practitioner, frontline healthcare provider, and passionate on-air medical personality. Dr. James continues to merge as one of the most sought-after voices at the intersection of the LGBTQ+ and Black communities.

As seen and heard on KTLA, NBC, FOX, CBS, ABC, Yahoo!, Scripps News, The Young Turks, KROQ, SiriusXM, Loveline, DASH Radio and countless more, his combination of extensive multimedia experience, real, relatable, and reliable approach, and more than 13 years of hospital based critical care practice more Dr. James one of the most innovative voices changing the way we talk about healthcare today.
